

Small graphite on paper drawing where a doll is in a sitting position. The gesture of her legs is rigid, her hands are at different heights and her disturbing gaze is fixed on the left side. The doll is wearing a detailed stripped dress and the scene is covered by a zenithal light.

Under the doll's left leg it is written "A doll" and the signature of the artist as "A. López Torres".

Donated by Antonio López Torres in a public deed, 27.10.78.
