

Graphite on paper work of a panoramic view of Tomelloso. This vertical composition could be divided in three parts: the lower part is the nearest roof; in the middle part there are some other roofs in perspective giving movement to the scene and a mass of trees on the right; and the upper part is the sky and a recognisable building on the left: the bell tower of Ntra. Sra. De la Asunción Church.

The signature is on the lower right side and says "A. López Torres".

Donated by Antonio López Torres in a public deed, 14.10.83.
